# Terms 'n Stuff

## Characters

Hidano Mya (Mya) - She always calls herself "ア ヨ ャ" (Myu) which sounds like a cat sound effect. Your typical 'wouldn't dare' who always talks in a third person perspective, she never refers to herself as "I" or "Me" she just calls herself by her name. She is also the character type who gives weird nicknames and mispronounced or misunderstood stuff easily, considering her character type, she is an innocent and childish one. Her name is actually spelled as "MYO-U" which would sound like "MYU" if it's read in English, well be using "Myu" to maintain the proper name pronunciation.

Hidano Keiichi - Myu's older brother

Marisard - the demon girl (she has no last name)

## Myu's Friends

Komachi - Myu calls her Kome-kome

Hyori - Myu calls her Hyoriin

## Other Terms

お兄ちゃん (One-chan) = Older big brother, or older brother. Myu had an One-chan. Complex, so we'll leave it at that.

ニート (NEET) = An acronym 'Not in Education, Employment or Training'

マリオカート (Mario Kart) = a spoof of Mario Kart

ドミナス (Domimus) = It is literally read as 'DOMIMASU' which can be Romanized as 'Domnas'. I can't seem to find this word on most of my Japanese to English dictionaries, but Google translates this as Domnus, a Latin word that means lord, master, or owner. Since the Latin counterpart is more suited for the use of the word we'll use 'Domnus'.

胡萝卜大棒 (The "Carrot and Stick" Policy) = Also known as 'carrot and whip', it is an act of offering a treat to a person so that they will work harder.

受虐 (Sotoku) and Masochism Fetish

These are some of the odd terms that have been used in this chapter. I hope this clears up a lot of confusion. Let's meet again on the next chapter!
